GIFTING SERVICE

THE CONNOLLY STORY

Connolly's journey began in London in 1878 as a small family business of saddlers and shoe smiths. It evolved to become the best-known supplier of highly finished leather for the automobile industry. Its portfolio of distinguished clients includes Bentley, Aston Martin, Jaguar, Ferrari and Rolls Royce – whom Connolly was the exclusive leather supplier for over 100 years.

Whilst we still maintain our automotive business, today, Connolly has become a British heritage clothing and leather goods brand, located in Mayfair. Our motorsport inspired collection sits alongside our famous leather goods, these combine quality fabrics and materials with impeccable craftsmanship. Upstairs we sell art and antiques and crafts pieces ideal for special gifting.
